

Making the Case for Jesus Not Muhammad: The Difference Between Christianity and the Religion of Islam

Militant Muslims are the ones who read the Qur'an in the same fashion you and I read our Bibles. They give Book, Chapter and Verse for their acts of hate, violence, and terror perpetrated against non-Muslims in the world. It is one thing to say, "Muslims don't all act this way," and another to say, "Islam does not teach it." The Qur'an does teach violence against non-Muslims. All religions are not the same.
